

FALGUN PATEL

M.Sc. Computer Science Student | Web Developer

Pune, India | +91 9461573282 | falgunpatel071@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Web Developer currently pursuing an M.Sc. in Computer Science, with hands-on experience building responsive and scalable web applications using React, JavaScript, and Tailwind CSS. Experienced in REST API integration, authentication systems, and deploying applications on Vercel and AWS. Additionally, skilled in rapid prototyping and AI-assisted development workflows, enabling efficient building of intelligent and automation-driven applications. Worked on AI-driven applications including chatbot and voice-based systems.

TECHNICAL SKILLS

Frontend: React, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Databases: PostgreSQL, MongoDB

Tools & Platforms: Postman, GitHub, CI/CD, Vercel, Clerk

Cloud & DevOps: AWS EC2, Docker

CMS & SEO: WordPress, WooCommerce, SEO Optimization

WORK EXPERIENCE

Frontend Developer Intern (React) Patrixel | Jan 2026 – Present

- Developed responsive React dashboards using hooks, Context API, and Tailwind CSS with **15+ reusable UI components** for admin and merchant portals.
- Collaborated with backend team to **integrate RESTful APIs for authentication** and user management, implementing error handling and data transformation.
- Built admin interface with searchable data tables, multi-column sorting, pagination, and rolebased filtering for user and merchant management.
- Implemented **client-side authentication** state management using React Context, localStorage for session persistence, and protected route navigation.

Website Developer - [caliz.online](#) (Freelance Project) Jun 2025 – Oct 2025

- Developed and deployed a fully functional WordPress + WooCommerce e-commerce website, handling complete store setup, product configuration, and payment integration.
- Customized themes** and optimized UI/UX to ensure responsive design, smooth navigation, and improved user engagement across devices.
- Implemented performance optimization, **SEO best practices**, and security configurations to enhance website speed, visibility, and reliability.

- Managed hosting setup, **domain configuration**, **email integration**, and post-deployment maintenance to ensure stable production performance.

PERSONAL PROJECTS

AI Voice Agent (Jan 2026 – March 2026)

- Architected a **Fullstack AI Real Estate Assistant** using Grok for advanced intent detection and **context-aware NLP to automate responses** for property rent, availability, and amenities.
- Engineered a real-time outbound calling system via **Twilio Voice and Amazon Polly (TTS)**, delivering automated, dynamic property briefings and status updates to prospective leads.
- Developed a multi-channel communication engine by **integrating the Web Speech API** for seamless voice, text, and automated media delivery.
- Built a **scalable MongoDB/Express backend** featuring a multi-tenant architecture and ngrok-tunneled webhooks for real-time lead tracking and persistent conversation logging.

Authentication-Backend-System (March 2026 – April 2026)

- Built a **secure full-stack authentication system using JWT** with short-lived access tokens and HTTP-only refresh cookies for safe session management.
- Developed an **Active Device Management dashboard** to track sessions using User-Agent data and enable remote logout across devices.
- Enhanced security with **rate limiting**, **Google OAuth2**, and **OTP-based email verification** using Nodemailer.
- **Automated backend tasks** using node-cron and improved UX with Axios interceptors for seamless token refresh.
- Containerized the application using **Docker** and **deployed it on AWS EC2**, handling environment setup and API exposure in production.

EDUCATION

- 1) Master of Science in Computer Science (M.Sc.)
MIT World Peace University, Pune - **07/2025 – Present** | CGPA: 7.32
- 2) Bachelor of Science in Information Technology (B.Sc. IT)
NVPAS, Anand - **06/2022 – 06/2025** | CGPA: 9.12

CERTIFICATIONS

Web Development Workshop - Microsoft (2025)
Front-End Development - Coursera - Meta (2024)
Introduction to AI - Coursera - IBM (2024)
Participation Certificate Codequezt #29 - Naukri Campus (2026)

LANGUAGES

English – Professional Proficiency
Hindi and Gujarati – Native Proficiency
