

FALGUN PATEL

M.Sc. Computer Science Student | Web Developer

Pune, India | +91 9461573282 | falgunpatel071@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Web Developer currently pursuing an M.Sc. in Computer Science, with hands-on experience developing responsive and scalable web applications using React, JavaScript, and Tailwind CSS. Experienced in REST API integration, authentication with Clerk, and deploying applications on Vercel and AWS through project-based work. Familiar with modern frontend and backend architecture, performance optimization, and full-stack fundamentals.

TECHNICAL SKILLS

Frontend: React, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Databases: PostgreSQL, MongoDB

Tools & Platforms: Postman, GitHub, CI/CD, Vercel, Clerk

CMS & SEO: WordPress, WooCommerce, SEO Optimization

WORK EXPERIENCE

Frontend Developer Intern (React)

Patrixel | Jan 2026 – Present

- Developed responsive React dashboards using hooks, Context API, and Tailwind CSS with **15+ reusable UI components** for admin and merchant portals.
- Collaborated with backend team to **integrate RESTful APIs for authentication** and user management, implementing error handling and data transformation.
- Built admin interface with searchable data tables, multi-column sorting, pagination, and role-based filtering for user and merchant management.
- Implemented **client-side authentication** state management using React Context, localStorage for session persistence, and protected route navigation.

Website Developer - [caliz.online](#) (Freelance Project)

Jun 2025 – Oct 2025

- Developed and deployed a fully functional WordPress + WooCommerce e-commerce website, handling complete store setup, product configuration, and payment integration.
- **Customized themes** and optimized UI/UX to ensure responsive design, smooth navigation, and improved user engagement across devices.
- Implemented performance optimization, **SEO best practices**, and security configurations to enhance website speed, visibility, and reliability.
- Managed hosting setup, **domain configuration**, **email integration**, and post-deployment maintenance to ensure stable production performance.

PERSONAL PROJECTS

Verse AI (Aug 2025 – Oct 2025) - [Live Demo](#)

- Designed and built the complete web experience around **practical AI utility workflows**, with subscription-aware access patterns and clear feature gating for different user plans.
- Implemented **end-to-end authentication**, usage limits, and subscription lifecycle handling with Clerk, ensuring predictable account behavior across free and paid tiers.
- **Integrated multiple API-driven modules** with stable request/response handling, including robust validation and error-state messaging for better user trust.
- Validated and **regression-tested API behaviour with Postman** to keep service interactions dependable across authentication, quota enforcement, and content generation flows.

Authentication-System (March 2026 – April 2026)

- Built a robust backend authentication API using Node.js, Express.js, and MongoDB to securely manage user registration, identities, and authorization.
- **Engineered a dual-token JWT architecture** utilizing 15-minute access tokens and 7-day HTTP-only refresh tokens for secure and seamless user persistence.
- Implemented an **automated email verification system** by generating and sending time-sensitive OTPs via custom HTML email templates to validate new accounts.
- Enforced advanced security measures including persistent device session tracking for remote logouts and **SHA-256 cryptographic hashing** for passwords and tokens.

EDUCATION

Master of Science in Computer Science (M.Sc.)

MIT World Peace University, Pune - **07/2025 – Present** | CGPA: 7.32

Bachelor of Science in Information Technology (B.Sc. IT)

NVPAS, Anand - **06/2022 – 06/2025** | CGPA: 9.12

CERTIFICATIONS

Web Development Workshop - Microsoft (2025)

Front-End Development - Coursera - Meta (2026)

Introduction to AI - Coursera - IBM (2026)

Participation Certificate - Naukri Campus (2026)

LANGUAGES

English – Professional Proficiency

Hindi and Gujarati – Native Proficiency
